SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 1	Level 1	Level 1

9-1-1 Service Interruption, Novato, Marin County

On 06/04/16 at 1750 hours, the CSWC was advised of a 9-1-1 and telephone outage in Novato, Marin County due to unknown reasons

- Service has been restored as of 06/05/16 at 1949 hours.

Cascadia Rising, Cal OES Coastal Region

Per the Cal OES Coastal Duty Officer, June 7 – 10, Cascadia Rising, a multi-agency/state series of exercises to test response and communications systems, will occur. This event is primarily coordinated by FEMA Region X and the states of Oregon and Washington. Our federal and state emergency management agencies, FEMA Region IX and Cal OES, are not participating.

- Some regional and state entities will take this opportunity to test their own systems and procedures, including the California Earthquake Clearinghouse and California Department of Public Health.

SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 1	Level 1	Level 1

Gas Main Leak, Patterson, Stanislaus County (Final)

On 06/05/2016 at 0710 the CSWC received a query from the Executive Duty Officer regarding a gas leak in Stanislaus County. At 0722 a National Response Center Report was received.

- The leak started at 0516 and was closed at 1055 per CUEA
- Leak so far is 3,000,000 (Million) Cubic Feet
- Local Fire, Law and PG&E are on scene
- 3 homes have been evacuated. (This is a rural area along I-5)
- Approximately 6 miles of line have to be blown out.
- Turlock Irrigation District has a power generation plant that provides power to the greater Turlock area. The plant operates on natural gas and will be affected by the shut-down as the generation plant will not be able to produce power during the shut-down. They currently don't have enough power to support their service area, which includes portions of the Turlock area. The Turlock Irrigation District is working on changing grids and purchasing power as a contingency.
- All notifications have been made per the HazMat SOP
- Per the Cal OES Coastal Duty Officer on Monday 06/06/2016, PG&E has a command center located at their Oak Flat facility just south of Patterson
- Stanislaus County OES Activated their EOC at level 1 yesterday Sunday 06/05/2016 but suspended EOC operations that afternoon.
- Stanislaus County OES will follow up with PG&E today for updates.

CAL OES MISSIONS

New/Closed Cal OES Missions

- **2016-LAW-24116, 6/5/16, 2130 hrs.,** The IERCC reported an InReach SOS device activation in Sequoia-Kings Canyon National Park (SKC-NP), Inyo County at coordinates 36 33 35N, 118 17 27W which plot to Mt. Whitney Trail. LDO contacted SKC-NP who advised this is on the border between the Park and Inyo SO jurisdiction. SKC-NP has no rangers in the area and their ETA is extended. Call to Inyo SO to advise and deconflict, determined this is Inyo SO's call. SAR notified and prepared for response. The emergency contact (R/O's son) was called and stated that R/O is 59 years old, in good health and, to the best of his knowledge, is climbing alone but may have linked up with a group. R/O messaged him earlier that he did make it to the summit and was descending. IERCC has been attempting to send messages on his device but R/O is not responding. LDO attempted cell contact but it goes directly to voice mail. **Update: 6/6/16, 0438 hrs.,** IERCC advised of new coordinates 36 33' 46.9"N, 118 16' 45.6"W, which has R/O approx. 1 mile from previous location and a drop of over 1500 vertical feet. Inyo SAR advised. **Update: 0740 hrs.,** IERCC advised the R/O messaged that he is okay and received assistance from some hikers. I requested he be messaged to determine the intent behind the activation. Inyo SAR advised. **MISSION CLOSED**
- **2016-LAW-24100, 6/5/16, 1748 hrs.,** IERCC reporting an InReach SOS device activation in Sequoia-Kings Canyon National Park (SKC-NP), Tulare County. The R/O of the device advised that she is with a group of 4 people and that while looking for a particular trail, they got split up and one member hasn't been seen since. The MP is a 22 year old female, 5'8" with dark brown hair, wearing an orange top, a puffy blue jacket and wearing sunglasses. They last saw her 4 hrs. before the activation at Mile marker 782.5 on the PCT. The device was activated at coordinates: 36 43' 50"N, 118 22' 23"W which plots in Tulare County at Bubbs Creek on the PCT. LDO notified SKC-NP Dispatch. **Update: 1933 hrs.,** IERCC advised the R/O message that the MP was alive and well and was with the party. SKC-NP notified. **MISSION CLOSED**
- **2016-LAW-24096, 6/5/16, 1202 hrs.,** The IERCC reporting a SPOT device activation in the Sequoia-Kings Canyon National Park (SKC-NP) in Fresno County at coordinates 36.80674, -118.39859, which plots to the E side of Rae Lake on the PCT. The R/O's emergency contact advised the device was activated by the R/O on behalf of an injured fellow hiker. LDO notified SKC-NP. **Update: 1329 hrs.,** SKC-NP advised the injured party was located and airlifted out. The R/O has deactivated his device. IERCC notified. **MISSION CLOSED**

CAL OES MISSIONS

Ongoing Cal OES Missions

- 2016-LAW-23009, 1600 Hours, 5/31/2016, Placer County Sheriff's Office (PCSO) is requesting resources to locate the victim of a boating accident on Camp Far West Lake. PCSO is requesting side scan sonar and divers to assist with the search. Amador, Sacramento and El Dorado County Sheriff's Departments are responding with requested resources. Update: Per PCSD, El Dorado SO will return today (Saturday) with the Placer SO Tahoe team to locate and recover the victim of the boating accident. LDO is working with PCSO on other diving resources in the event they are UTL today. Update: Per PCSO, El Dorado SO will return Saturday with the PCSO Tahoe team to locate and recover the victim of the boating accident. LDO is working with PCSO on other diving resources in the event they are UTL today. **Mission Ongoing**
- 2016-LAW-22803, 05/24/16, 1200 hrs, Humboldt County Sheriff's Department (HCSD) is request resources to assist in locating the remains of a victim of a cold case homicide. HCSD is requesting (3) HRD search dog teams. This search began 06/04/16 at 0900 hrs. California Governor's Office of Emergency Services, Law Enforcement Branch is coordinating the search dog response. **Mission Ongoing**

WEATHER FORECAST

Weather of Concern

- For interior Northern California high temperatures in triple digits are likely for much of the Central Valley.
- For inland areas of Southwest California the peak of the heat is expected today, with widespread highs in the 90s and 100s across interior areas.
- This extended heat event will bring an increased risk of heat related illness as well as elevated fire danger across interior areas.
